About Me

Results-driven SEO Executive with 1 years of experience in boosting organic traffic, improving search rankings, and driving conversions through data-driven strategies. Skilled in keyword research, on-page optimization, link building, and analytics.

WORK EXPERIENCE

My Country Mobile

June 2024 - present

SEO Executive

As an SEO Executive at My Country Mobile, I specialize in backlink building, link exchange, and comprehensive SEO optimization. I use tools like SEMrush, Google Search Console (GSC), and Ahrefs to enhance website visibility and performance. Currently, I focus on WordPress pages, performing on-page SEO, and managing link-building strategies to improve search engine rankings and overall site authority.
